BECOME A VENDOR

The Butler County Veteran ID card program provides Butler County's United States Armed Forces veterans with a photo ID card to receive special discounts at local businesses.

In 2016, Butler County began participating in a Veterans Discount Card Program. This program is supported by the Board of Butler County Commissioners, the Butler County Veterans Service Commission.

This program will offer your business a chance to be one of the Butler County's "veteran friendly" businesses. We ask county business owners to consider providing a special offer to veterans that present their ID card. All participating businesses will be listed on the Butler County Recorder's Office website.
