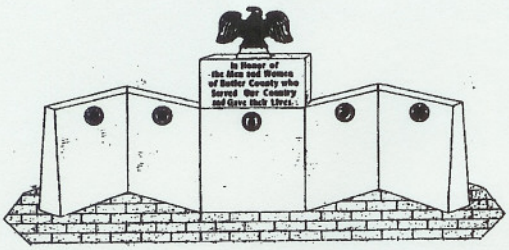
Butler County Veterans Memorial



A memorial honoring Butler County Servicepersons who lost their lives during twentieth century wars was completed in 1998 in Hamilton, Ohio. This gray and black granite memorial is 13 feet wide and stands 8 feet tall and is located in Veterans Park. Over 700 names will be engraved on the five tablets. The names will represent the soldiers, sailors, marines and airmen who sacrificed their lives during World War I, World War II, Korean, Vietnam and Gulf Wars.

The Memorial Committee needs to add two more wings on the Memorial. The committee is again offering engraved bricks at the base of the Memorial in order to fund the new wings and keep the adequate funds for proper maintenance. You can help pay tribute to these Butler County hero's with the purchase of an engraved brick. These bricks can be engraved with individual names, family names, businesses, and organizations (see samples below). The committee invites veterans and their families to purchase bricks, also. Bricks are not limited to Butler County residents.

Buy a brick for your spouse, father, aunt, grandfather, or for a friend. Each brick costs $50.00 and measure 3 inches by 8 inches. All profits from the sale of these bricks will go toward the additional wings and maintenance of the Veterans Memorial in Veterans Park. Additional donations are gratefully accepted. You will receive confirmation of your order and will be notified when the bricks are laid.

(These are sample bricks. Actual bricks measure 3 inches by 8 inches.)
